3	From The Director of Agriculture no Roc 977 — A 23-24 dt 11-3-24 forwards the Comptroller's objection memo in regard to the Salary of Mr. Raman Nair and his assistant Chinnu Swamy and requests that the Comptroller may be authorised to admit the pay of Mr. Raman Nair at Rs 100/- p.m. etc. Mr. Raman Nair was appointed on Rs 100/- p.m. in P.O. dated 2nd July 1924 on the recommendation made by the Director of Agriculture in his letter X dated 23.12.23, that he was getting Rs 90/- p.m. in the Engineering Dept. The Chief Engr. in his letter now states that he was a temporary boring Mestor on Rs 50/- only in the water supply Construction Divn. and that he used doing some private work on daily wage

of Rs 3/- a day. Govt were not aware of this fact and in the assumption that his pay in the Engineering deptt was Rs 4 or 5 per mn, he was given Rs 10/- per mn. It is doubtful if Govt would have sanctd this pay, viz Rs 10/-, had they been in possession of all facts. As it is, a temporary employee gets Rs 10/- - double his pay.

2. The reasons attng the designation of sub-overseer to "Assistant" is not also clear. Why he was taken on daily wages, instead of on monthly salary as directed in the G.O. is also not explained. This is perhaps to evade the rule of recruitment to service and the production of the requisite audit certificates.

3. In this connection it may be mentioned that Govt refused even to sanction deputation allce, to the permanent establishment of the R.C. The present one is a case of temporary employment and it is for under

1) Mr Raman Nair was given Rs 100 on an incorrect representation of his actual pay. It is not justifiable that he should be given the double that he was getting. Either he must be replaced by a senior Offr getting Rs 100 or somewhere near, or his pay must be reduced to Rs 50 + 20% as deputation allowance. ie Rs 70.

2) The objection of the Comptr about Chinnasamy is the production of the required medical & vaccination Certificate. The Director does not explain why he cannot do this, but simply asks his designation be changed to Assistant on daily wages of Re 1 per day. The Director may be asked to comply with the Comptr's requisition.

3) So far there has been no mistake as to what work has been done by this staff. If the progress is slow, it is a point for consideration as why the staff should not be suitably reduced. The Director

The suggestions of A Dr regarding the 2 Munshis may be accepted. The work is very arduous & Mr Raman Nair was chosen on age of his special experience & he was getting Rs 90 when working at Kodur it is not too much to pay him Rs 100 p.m. when working on the special cases
